JUNE, 1907

—ADDRESSES OF—  
ALUMNI AND  
MATRONS

Printed by Kenyon College, Gambier,  
Ohio, June 5, 1907, as second class matter at the  
post office at Gambier, Ohio

Vol. 1, No. 1

## Rules for the Award of "The President's Cup"

---

1. The Committee of Award shall consist of three members, of whom the Secretary of the General Alumni Association shall always be one.
2. Before the first of May of each year this Committee shall supply the Secretary of each class with an "eligible list" for that class. This list shall consist of all matriculated members whose addresses are known, and who are resident within one thousand miles of Gambier.
3. At the annual Alumni luncheon on Commencement Day, the custody of the trophy for the ensuing year, and the privilege of engraving its numerals thereon, shall be awarded to the class having the highest percentage of attendance.

4. This percentage shall be calculated on the following basis:

(a) The official "eligible list" of the Committee shall be taken as the denominator of the fraction.

(b) The numerator of the fraction shall be determined by the number of members living at any distance, who may have been present on the Hill at any time between Sunday and Wednesday of Commencement Week.

(c) If the "eligible list" for any class is less than ten, two per cent shall be deducted for each unit by which it falls short of that number. Thus, if for a given class the "eligible list" is five, all of whom were present at Commencement, the official credit would be ninety per cent.

(d) In case the official credit is the same for the two or more highest classes, the class having the largest "eligible list" shall receive the award.
